

<<Salutation>>

Eagle County Gives (ECG) is a collaborative of over 50 Eagle County nonprofit organizations participating in Colorado Gives Day, the largest annual day of online giving in Colorado.

We request the opportunity to work with <<Business/Organization Name>> as a community sponsor in 2019.

Funds raised through community sponsorships support ECG's robust marketing and grassroots efforts to drive donations to our member nonprofits on Colorado Gives Day. Our sponsors benefit with logo or name placement, mentions in radio and TV spots, social media recognition, and other media opportunities. Each year our efforts result in thousands of media impressions.

Together the ECG Collaborative works to strengthen the partnership, fundraising capacity, and awareness of the nonprofit sector that enhances the quality of life in our community. We believe that "a rising tide lifts all boats." Our collaborative working together as a group benefits each and every member organization. As a result, we surpassed our goal of participating nonprofits raising \$1 million collectively on Colorado Gives Day 2018.

Attached is more information on sponsorship levels. Please let me know if I can answer any questions. The collaborative site is eaglecogives.org.

Thank you for your consideration.

<<Best regards (Sincerely)>>
